Round Table of Young Researchers

Chairs: Dr. S. Kiriakidi, K. Moldovan, A. Plessas

Dear colleagues,

We would like to invite you to the “**Round Table of Young Researchers**” that will take place on **Thursday 30th of June at 15:45**, in the context of “**Athens Conference on Advances in Chemistry 2022 (acac2022)**”. In this session we will discuss the problems and concerns that a young researcher may face during their academic career. We would also like to offer the opportunity for everyone to share their experiences on the topics that will be discussed.

We look forward to meeting you and we hope you will enjoy our constructive conversation.
