

# 1st MEDITARCH Postgraduate Conference in Greek and Eastern Mediterranean Archaeology

## Call for Papers

### 1st MEDITARCH Postgraduate Conference in Greek and Eastern Mediterranean Archaeology

The Greek and Eastern Mediterranean Archaeology (MEDITARCH) program of the NKUA Department of History and Archaeology is delighted to host its first postgraduate conference in Greek and Eastern Mediterranean Archaeology. We cordially invite all past and present postgraduate students and PhD candidates from the National and Kapodistrian University of Athens to participate.

**Date:** Thursday, 17th, October- Friday, 18th, October 2024

**Conference Themes:** The conference aims to explore a systematic account of the evidence, methodologies, and current debates on Aegean and Eastern Mediterranean Archaeology spanning from prehistory through the Hellenistic period. Topics may include but are not limited to:

- Material Culture
- Art and iconography
- Architecture
- Landscape
- Identity
- Economy
- Archaeology of death
- Trade and interregional connections
- Religion and ideology
- Writing systems

**Conference Format:** Hybrid with presentations of approximately 15-20 minutes delivered in English.

**Abstracts:** Maximum of 250 words, written in English; must be submitted by **14/6/2024** to **meditarch\_conference@arch.uoa.gr**. Please include your name, paper title, and current academic standing at NKUA.

We look forward to receiving your abstracts and welcoming you to our conference.
