## **Directions**

## **Airport to City Center**

As soon as you land at El. Venizelos National Airport, you may walk towards the main exit of the terminal. You will be able to see the suburban and subway station just in front of the exit. It would be more convenient to use the subway rather than the suburban railway. Follow the directions to the right platform and proceed to Metro Line 3 (Blue Line). This will take you straight to the center of Athens, where you can hop off at Evangelismos, Syntagma or Monastiraki.

• You can find the timetable here:
