

Directions

City Center to Physics Faculty

Depending on the location of your stay, choose to use the subway, where you can hop off at Evangelismos (Metro Line 3 - Blue Line). Follow the directions and go to the exit Vasilissis Sofias Avenue/Rizari Street. Follow the path through the park (you will see many students do that!) and after 1' walk you will find the bus stop (ΕΥΑΓΓΕΛΙΣΜΟΣ). Take the bus 250 (ΠΑΝΕΠΙΣΤΗΜΙΟΥΠΟΛΗ - ΣΤ. ΕΥΑΓΓΕΛΙΣΜΟΥ, ΚΥΚΛΙΚΗ), which will get you straight to the university campus. Hop off in front of the Physics Department (bus stop ΦΥΣΙΚΗ), where you will find some stairs leading to the main entrance of the building of the Physics Department. The route of the bus 250 is circular, so you can hop on again and go to Evangelismos Subway Station.
