

# SPECIAL EVENT

The special event is a tour in '[Stavros Niarchos Foundation Cultural Center](#)' (SNFCC) in Kallithea. A bus will wait at 17:00 on Thursday 20/03 at the front door of Physics Department as to take us there.

In the park we will have a guided tour and we will visit the building of the [National Library](#) of Greece, which houses a collection of books and digital records, covering the entire scientific and knowledge spectrum, spanning from the 17th to the 21st century as well as a rare collection of rare printed materials of historical and artistic value on display and the [National Opera House](#). On the top of the National Library is the [Lighthouse](#), where we could see a part of the city of Athens, Piraeus and the nearby islands. We also will walk in [Agora](#) next to the [Canal](#) and in the [Park](#), where citizens of all ages go for their afternoon walk.

At 20:00 the bus will catch us to the center of Athens, at Syntagma Square.
